## LAMBETH PAN-DISABILITY FORUM

The Lambeth Pan-Disability Forum was formed in 2009. It is for anyone in the borough who identifies as a Disabled or Deaf person. We have members with physical and sensory impairments, learning disabilities, neuro-diverse conditions and mental health issues. We work together to get our voices heard by politicians, service providers and the wider community.

The focus for the Forum is on the issues that are common to many, if not most Disabled and Deaf people including Access, Community Care, Disability Hate Crime, Employment and Education, Equalities, Health, Housing, Leisure and Transport.

## THE FORUM:

- *Represents Disabled and Deaf people*
- *Campaigns and lobbies on key issues*
- *Holds regular meetings on a range of important topics*
- *Hosts consultation events*
- *Works with other local Disabled People's Organisations*
- *Is involved in community events*
