Our services

Our services continue to run by phone, video meeting or face-to- face if this is safe to do so

Advocacy

We provide issue-based Professional Advocacy to support people who have difficulties self-advocating to speak up and promote their rights. We are part of Connect Lambeth's Advocacy Hub providing statutory advocacy to Lambeth residents.

Community Development

We support Disabled people to develop community projects and form partnerships with local organisations to make their services more inclusive. We enable Disabled people to get their views across in consultations.

020 3062 9037 **enquiry.line@disabilitylambeth.org.uk**

We are working with "we are 336", other local groups, Lambeth Council and the Metropolitan Police to raise awareness of hate crime against Disabled people. We support the Lambeth Disability Hate Crime Partnership.

Our services

Direct Payments Support

We provide advice and information around all aspects of direct payments including money management options, recruitment of staff, managing employer responsibilities and monitoring. We organise peer support groups for direct payments recipients as well as training for employers. We also provide advice for self-funders.

020 7501 8960 **direct.payments@disabilitylambeth.org.uk**

Sport and Social

We support Disabled people to become more physically active and take part in accessible sport and social activities alongside non-Disabled people.

020 3062 9037 **intosport@disabilitylambeth.org.uk**

Specialist Advice Service

We provide information advice and casework support for people living with mental health problems on issues including welfare benefits, form filling, challenging decisions, appeals, and representation at tribunal.

020 3062 9030 **adviceteam@disabilitylambeth.org.uk**

Volunteering

We have a range of opportunities available to those interested in volunteering and can also offer bespoke placements based on experience and knowledge. We are keen to recruit Disabled volunteers to better our service.
